Telephone Comparison

Which Phone Is Right For You?
Key Features Of Each Phone Brand Model

Star2Star offers customers a wide variety of desktop telephone models from Polycom, VTech, Yealink, and Cisco to choose from. This document details the key features for each model available through Star2Star. For additional details on specific models, please refer to the Star2Star phone brochures for those models, or visit the phones page on the Star2Star web site at: www.star2star.com/phones.
